ABOUT THE FOOD

All our food is made from scratch in our own kitchen. Burgers to sauces, batter to fries... we even make our own sausages, and our own ice cream. We hope the pride we take in our food shows, and that you're as happy with it as we are.

ABOUT THE NAME

London's Fleet Street was the home of newspaper publishing from the 1700s. Nashville's Printer's Alley was the hub of the publishing industry in the south east for many years. Thus, an English pub in Printer's Alley naturally had to be called Fleet Street Pub.
